"A teacher who is more than a teacher, and a friend to all" only begins to describe Connally High School's beloved home economics teacher, Mrs. Bernice Bagwell. Under her guidance, girls and boys are trained for the great role of future homemakers of America. For these and for many more reasons the 1960-61 Cadet Staff dedicates the '61 Cadet to you, Mrs. Bernice Bagwell.

The Cadet Staff

Superintendent's Message

I wish to compliment the Cadet Staff for making the 1961 CADET a great tribute to our seniors, to whom I extend congratulations for achievements during their high school years.

Clayton Oakes

Principal's Message

Congratulations to the senior class upon the completion of this phase of your education, and to the 1961 Cadet staff for a job well done.

Harry Teal

Foreword

The objective of the 1960-1961 CADET has been to record events, to preserve the achievements, and to reproduce, in picture, the activities of the students as they moved through the year. We have tried to present these events in such a manner that they will show the spirit of Connally High and the pride we have in our school and that they will, in the years to come, bring pleasant memories of the happy years spent here.

We now present this book to you, the students, with the hope that you will cherish it always. If many year in the future this volume brings back one flash of happy remembrance, our efforts have not been in vain and this book will have been a success.

The Cadet Staff

To each person who helped in any way to make this yearbook possible, we express our sincere appreciation.

It is our hope that in the future this book will bring back fond memories of your high school days here at Connally and that it will serve as an inspiration to those who follow us.

May our future in the age of space be not only technologically brilliant but spiritually enlightened.

Senior Class Will

We, the members of the Senior Class of nineteen hundred and sixty-one, being of completely unstable mind and body--due to the hard work and toil of our teachers for twelve long years--do hereby and herewith declare this to be our last will and true testament.

Prophecy

A recent survey taken for the CADET shows achievements of the Connally graduating class of 1961.

Four girls are married. Mary Woodruff has three healthy boys; Dolly Dameron has four with the stork flying low. Maycel Bonds married soon after Shirley Komar.

Frank Baker is a ranger in Yellowstone Park. Jimmy Tillman and Ed Busch play basketball for the Boston Celtics. Jaci Hicks is Jimmy's chief bottle washer. Wayne Boyls is in Greenwich Village with the "beats," and John Eubanks is at the Copa.

Matt Blatt is in California living on his sheep ranch. Steve Lewis is one of Hollywood's most ineligible bachelors. Johnny Ryan is leading a playboy's life in Hawaii while Jimmy Lewis owns a yacht club in the Bahamas. Margaret Cutrer coaches a basketball team for Carolyn Custer's health center in Houston. Richard Clark is an electrician in Waco; Carolyn Hill owns a dress shop.

Jimmy Elders and Roger Cantrell are algebra and English IV teachers, respectively, at Connally High.

Mary Bigham and Linda Snow are physical education teachers at Texas Women's University, and Ronnie McWilliams is still living at home; he always said he loved his mother best.

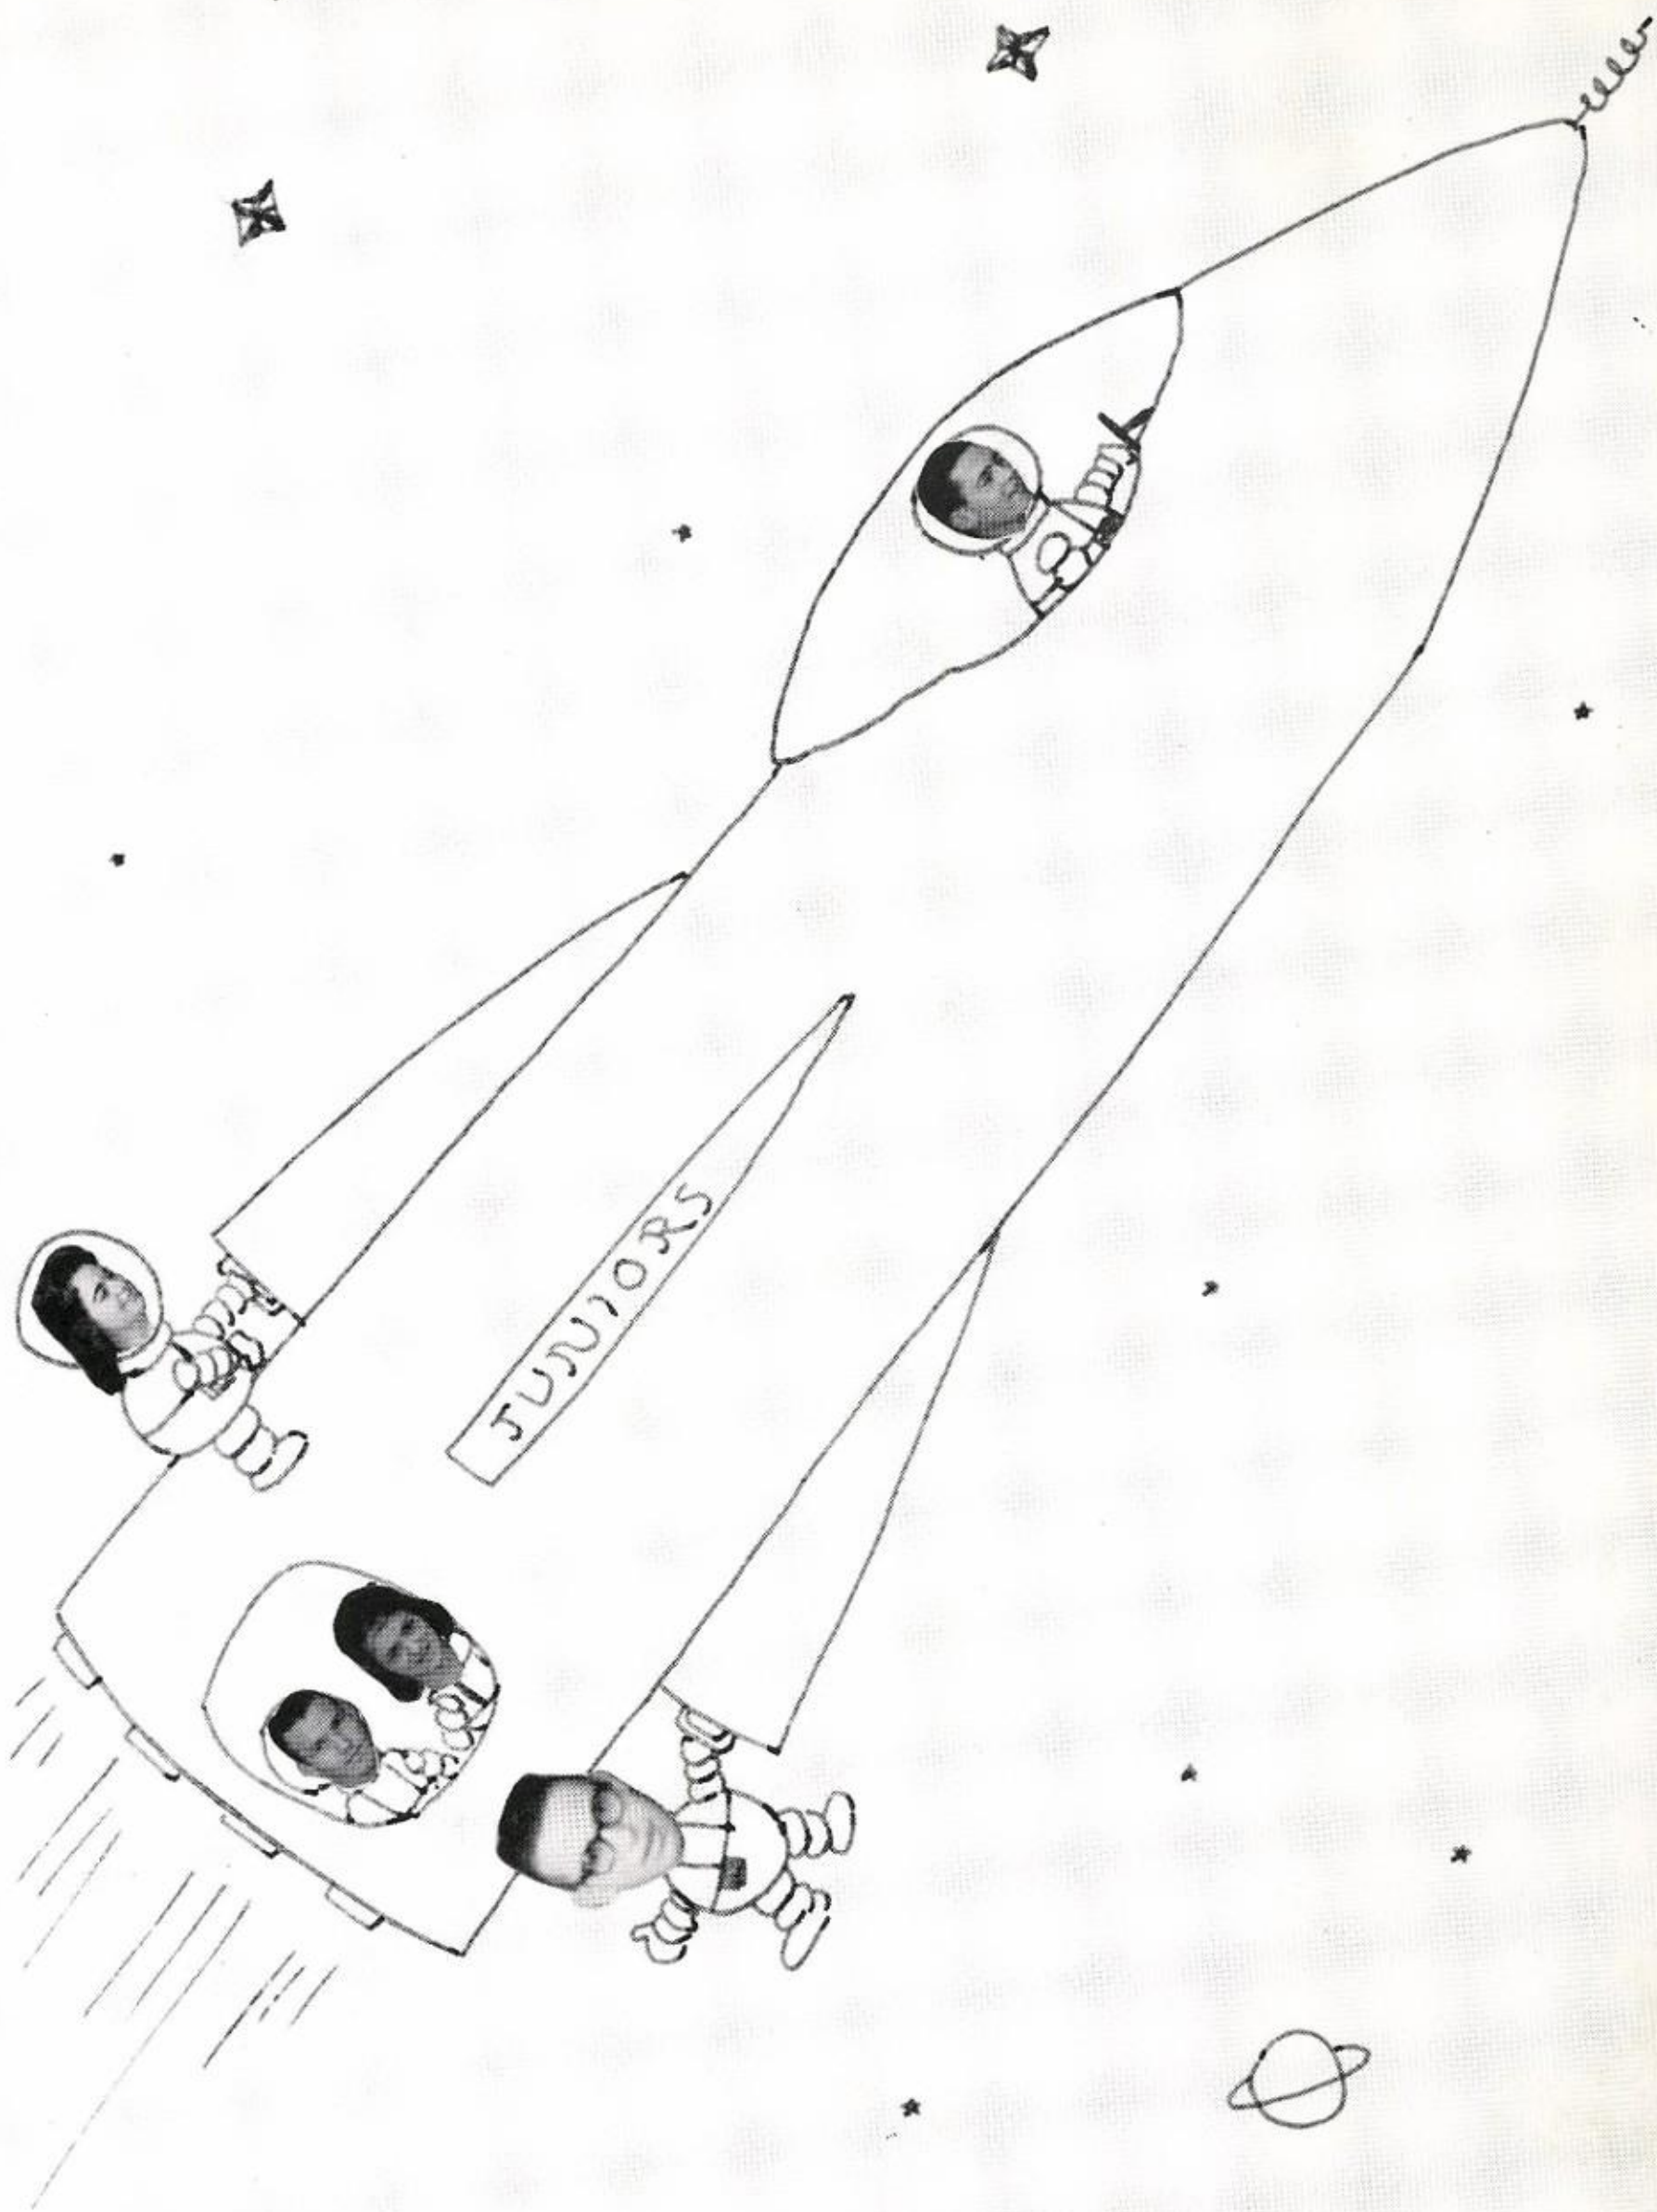

In Special Services at Randolph A.F.B. are Sharon Howe, Marsha Harrist, and Pat Manley. Hunting and trapping in Alaska is the "great white hunter," Jim Hare.

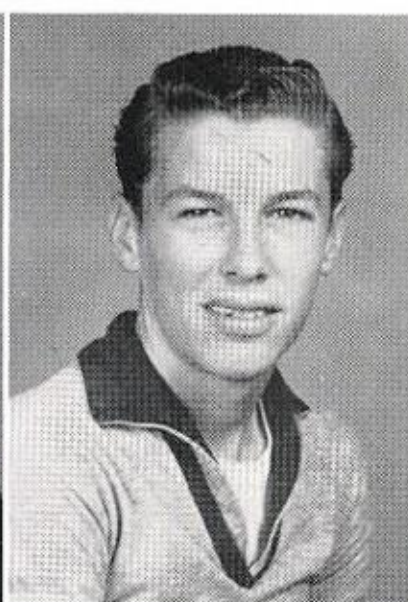

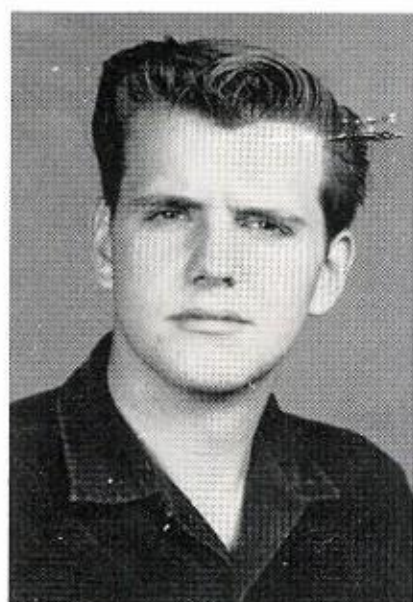

Truett Bates and Mike Nicosia own a gym in Dallas. Pat Schuetz is a meat packer in Waco.

Terry Taylor has a farm outside Waco called the "Jolly-T." Judy Oakes teaches music at Baylor U. while Nancy McDonald and Virginia Peppers are desperately trying to get a man OUT of orbit.

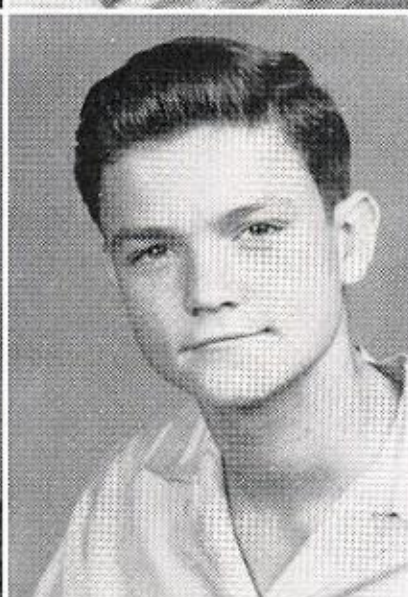

Bethna Burkett is the polka instructor at Arthur Murray's dance studio. Barbara Bradburry is Carlene Sisk's art apprentice for a Waco newspaper. Ross Thornton is still waiting for the right girl to come along and for his blond hair to grow out. Linda Slade became a counselor at a high school in Chicago, Illinois.

The preceding accomplishments were made possible by the ambition of their parents and the hard work and toil of other people.
